Thomas Nelson [NKJV Ultra Thinline Bible](#) Book Review & Description

The [NKJV Ultra Thinline Bible](#) features the thinnest edition of the Biblical text available from Thomas Nelson. Pictured is the [Thomas Nelson NKJV Bonded Leather](#) edition, available in Burgundy with gold gilded page edging. This Bible utilizes Smyth-sewn binding, making it a Bible that will last for a long time. In fact, I found out that Thomas Nelson has a lifetime guarantee on this Bible, so if you do invest in one, be sure to register your purchase using this [link](#) on the Thomas Nelson website!

I love the fact that this [NKJV Bible](#) is very lightweight. I often carry a Bible with me because there is just something

special about having a printed copy of the Scriptures in hand rather than only relying on Bible apps. This Bible would be useful in any ministry setting.

This Bible provides the simple Bible text (in this case, the New King James Version) without the weight that would be added with study guides, commentaries, or concordances. The Thomas Nelson [NKJV Ultra Thinline Bible](#) includes a satin ribbon marker, a presentation page, and the words of Christ are in red.

“Comfort Print” in the Thomas Nelson [NKJV Ultra Thinline Bible](#)

This NKJV Bible uses an 8-point font, called “Comfort Print” by Thomas Nelson Bibles. It is clear and readable as advertised, but for those of us over 40 who have worn glasses since childhood . . . this [Thomas Nelson NKJV](#) Bible might remind a few of us that it is time to update that prescription! If you have excellent vision, you will love the font size because it enables this Bible to be as thin as it is.

There is ample margin space for a Bible of this size if you do enjoy adding short notes during a Bible study or sermon. The paper quality is exceptional – what one would expect with a high quality Bible.

This is a Bible that would make a beautiful gift for anyone in your life.
