

The War in Israel and God's Word

One prophecy that really stands out to me is found in Amos. Philistine Gaza had partnered with the descendants of Esau (the Edomites) to turn in Jews to them:

“This is what the LORD says:

“For three offenses of Gaza, and for four,

I will not revoke its punishment,

Because they led into exile an entire population

To turn them over to Edom.

So I will send fire on the wall of Gaza

And it will consume her citadels.’” Amos 1:6-7, NASB
